NEW CREATIVE HUB IN HARROW TOWN CENTRE INVITES LOCAL BUSINESSES TO JOIN

The new creative hub currently under construction on part of Greenhill Car Park, formerly the Debenhams car park, in Harrow Town Centre, is now welcoming local businesses to register their interest in becoming part of this exciting project.

Led by Meanwhile Space in partnership with Jan Kattein Architects, the hub will include maker spaces, studios, micro-galleries, sculpture plinths, and exhibition areas. It aims to create a vibrant destination where businesses, artists, and residents can collaborate and thrive.

This initiative is part of a £7 million investment in the regeneration of Harrow Town Centre, supported by the Future High Street Fund. Construction began in spring 2024, and planning permission was granted with full backing from Harrow Council.
